

# 12v 40A lithium battery pack

## Overview

---

What is a 12V lithium ion battery pack?

A 12V lithium ion battery pack is a battery pack made up of three or four lithium batteries connected in series and several lithium batteries connected in parallel. This configuration allows the capacity of a 12V lithium battery to be customized.

What is lithium-ion power brick + battery 12v-40ah?

The Lithium-Ion PowerBrick + battery 12V-40Ah offers high level of safety through the use of cylindrical cells in Lithium Ferro Phosphate technology (LiFePO<sub>4</sub> or LFP). PowerBrick + 12V-40Ah integrates an innovative Battery Management System (BMS) in its casing to ensure a very high level of safety in use.

Is the 12v-40ah lithium battery waterproof?

The 12V-40Ah lithium battery is protected by a waterproof ABS case that resists to water projection and dust (IP55 for PowerBrick® STANDARD battery or IP65 for PowerBrick® PRO+ version). The PowerBrick® product line has been designed to replace lead-acid batteries. It offers high energy density, for a low weight and a small space requirement.

What is a 12v-40ah LFP battery?

The 12V-40Ah LFP battery pack is ideal for wind and solar energy storage, AGV (automated guided vehicle), marine, boats, traction, small EV, forklifts, robotics, and much more. The PowerBrick® 12V-40Ah is designed to drop-in replacement of old generation Lead acid batteries.

How to install the lithium battery powerbrick + 12v-40ah?

Thanks to its technology, the lithium battery PowerBrick + 12V-40Ah can be installed in any position (vertically, lying on the side or head down). The electrical parameters of the PowerBrick + lithium battery 12V-40Ah are

compatible in all respects with those of an AGM lead battery of 12V.

What is a powerbrick® 12v-40ah battery?

The PowerBrick® 12V-40Ah is designed to drop-in replacement of old generation Lead acid batteries. VRLA and AGM batteries provides poor performances and are harmful for the environment through the use of heavy metals and acid electrolytes.

## 12v 40A lithium battery pack
