

1a How big is the battery cabinet

Overview

What is a battery cabinet?

Battery cabinets are a convenient storage solution that encourages staff to maintain the correct handling and storage procedures. By charging and storing batteries in the one location, you are reducing the likelihood of batteries being lost, stolen, damaged or left in unsafe conditions (such as outdoors).

What is a model BC battery cabinet?

The Model BC Battery Cabinet is UL Listed and finished in textured red or beige to match the various Gamewell-FCI control panels. The cabinet will house up to four (4) model B-31 or two (2) model B-55 batteries. The heavy duty cabinet, constructed of 16 gauge steel, is phosphate treated and primed with zinc chromate prior to painting.

How many batteries can be stored in a B-31 cabinet?

The cabinet will house up to four (4) model B-31 or two (2) model B-55 batteries. The heavy duty cabinet, constructed of 16 gauge steel, is phosphate treated and primed with zinc chromate prior to painting. Knockouts are located at each end of the cabinet.
