

8kW household energy storage power supply

Overview

Does the envy 8k/10kw support residential and commercial service?

Supports Residential and Commercial: Not only does the Envy 8k/10kW support residential split-phase (120/240V) service, but it can also be used with commercial three-phase service (120/208V or 127/220V) with as few as two inverters.

How many kW can the envy power?

The Envy features a built-in generator input with AC/DC coupling, on- and off-grid capabilities, plus a 2 MPPT output allowing for a maximum of 13 kW PV array (Envy 8kW) or 15kW PV array (Envy 10kW).

How can I monitor my envy 8kW system?

Use our online monitoring app to access your system from anywhere. Powerful and Scalable: With a 13kW PV input and 8kW/10KW continuous uninterrupted output, the Envy 8kw offers reliable clean energy and can be expanded by paralleling up to 10 units, with a maximum of 80KW/100KW AC output.
