

# **Bosnia and Herzegovina energy storage liquid-cooled battery**

### **Overview**

The country is preparing to install its first battery energy storage system - with a capacity of up to 120 MWh. This is a huge step towards energy system stability, better use of renewables and a sustainable future.

## Bosnia and Herzegovina energy storage liquid-cooled battery

### <u>Liquid Cooling in Energy Storage:</u> <u>Innovative Power Solutions</u>

Discover how liquid cooling enhances energy storage systems. Learn about its benefits, applications, and role in sustainable power solutions.
