

# Cameroon Photovoltaic plus Energy Storage

## **Overview**

The plants have a combined capacity of 36MW solar and 20MW / 19MWh of storage and were delivered following the signing of a lease agreement with electricity company, ENEO, in 2021. They are equipped with more than 44,800 bifacial solar panels mounts on trackers to help maximise energy production.

## **Cameroon Photovoltaic plus Energy Storage**

### solar.cgprotection

Norway-headquartered renewable energy company Scatec will add 28.6MW of solar PV and 19.2MWh of battery energy storage systems (BESS) to projects in Cameroon, ...
