

Can you bring outdoor power to Brazil

Overview

Do I need a power adapter for Brazil?

In Brazil, type C and N power outlets are used, while in USA, you use plugs A and B. If you're traveling to Brazil, you'll need a power adapter for types C and N, as your power plugs won't fit the sockets there. Power adapter for Brazil needed?

.

Do I need a voltage converter in Brazil?

Travelers from USA need a power plug (travel) adapter and may need a voltage converter in Brazil. In Brazil, they use power outlets and plugs of type C and type N. The voltage is 127 / 220 V, and the frequency is 60 Hz. You will need an adapter for type C and N power outlets in Brazil. A voltage converter may be necessary for your devices.

What type of power outlet does Brazil use?

Now you know! Brazil uses Type N power outlets - which fit both Type N and Type C power plugs. Voltage varies by location, and may be 127 or 220 volts. If your devices aren't compatible with Brazil's plug type or voltage, you'll need to bring a Brazil power outlet adaptor and possibly a voltage converter.

What type of power plugs are used in Brazil?

In Brazil, they use power outlets and plugs of type C and type N. The voltage is 127 / 220 V, and the frequency is 60 Hz. You will need an adapter for type C and N power outlets in Brazil. A voltage converter may be necessary for your devices. Do power plugs from USA fit into Brazil outlets?

.

What voltage do I need for a Brazil power outlet?

Voltage varies by location, and may be 127 or 220 volts. If your devices aren't compatible with Brazil's plug type or voltage, you'll need to bring a Brazil power outlet adaptor and possibly a voltage converter. Fortunately, universal adaptors are inexpensive and widely available.

Can I plug my devices directly in Brazil?

You will be able to plug the devices directly in Brazil (please read other sections of this reports in regards to voltage, etc.). Perhaps you will need adapters for some sockets, but it is usually easier to find adapters at destination if your plug is already being used in the country.
