

Djibouti Energy Storage Container Project Construction

Overview

What is Djibouti's new solar project?

The project will be the first solar Independent Power Project (IPP) in Djibouti and will be located in Grand Bara, south of Djibouti City. The solar project is being fully developed by AMEA Power under a Build-Own-Operate and Transfer (BOOT) model and will generate 55 GWh of clean energy per year, enough to reach more than 66,500 people.

Who will take over the Djibouti electricity project?

The Sovereign Fund of Djibouti (FSD) will be joining the project before financial close as a minority shareholder. The offtaker for the project will be Electricité de Djibouti. As part of its strategic plan, the Government of Djibouti aims to reduce CO2 emissions by around 40% by 2030.

What is Djibouti Container Terminal?

Accessible by rail and road from various locations including Ethiopia, it is illustrating its aim of multipurpose facility. The Port of Djibouti Container Terminal has a handling capacity of 350 000 TEU Per annum. Reefer containers can be easily accommodated by 126 reefer plug points available in the yard.

How many berths can a container hold in Djibouti?

The Port of Djibouti Container Terminal has a handling capacity of 350 000 TEU Per annum. Reefer containers can be easily accommodated by 126 reefer plug points available in the yard. Vessels of capacity up to 8000 TEU can be operated along the two berths of 400m. Berth Characteristics and Equipment Berth 2 (220m) has a depth of 12m.

Who signed the Djibouti Solar Power Project (IPP)?

The signing was witnessed by the Minister of Energy and Natural Resources, H.E. Yonis Ali Guedi. The project will be the first solar Independent Power

Project (IPP) in Djibouti and will be located in Grand Bara, south of Djibouti City.

Is AMEA power signing a long-term PPA with Djibouti?

The PPA being signed. Image: Amea Power. UAE-based renewable energy developer AMEA Power has signed a long-term PPA with the national utility of Djibouti for a 25MW solar PV plus battery storage unit. AMEA Power announced the signing of the power purchase agreement (PPA) with Electricité de Djibouti (EDD) today (29 August).
