

# **Energy storage container with large capacity and high power**

### **Overview**

Megapack stores energy for the grid reliably and safely, eliminating the need for gas peaker plants and helping to avoid outages. Each unit can store over 3.9 MWh of energy—that's enough energy to power an average of 3,600 homes for one hour.

### Energy storage container with large capacity and high power

#### 2MWh Energy Storage Container System

The HJ-G1000-2200F 2MWh Energy Storage Container System achieves high efficiency and reliability through its 95% efficiency rating, modular design, and seamless integration with ...
