

Georgia portable energy storage power supply manufacturer

Overview

Will Georgia Power offer more battery energy storage projects?

In that filing, Georgia Power signaled its intention to solicit bids for more storage- another 500 MW- in the near future. Battery energy storage projects are popping up all over the U.S., which added nearly 4 GW of storage capacity in the second quarter of this year alone, according to a recent report.

When will Georgia's battery storage system come online?

The battery system is expected to come online as early as 2026 and is subject to regulatory approvals. "As we continue to build Georgia's clean energy future, battery storage systems play a vital role in how we will continue to serve our customers with clean, reliable energy for decades to come.

What does Georgia Power do?

Georgia Power provides electricity to 2.7 million customers in all but four of Georgia's 159 counties. The company is committed to delivering clean, safe, reliable and affordable energy for every customer, and works with the Georgia Public Service Commission (PSC) to ensure it can meet Georgia's future energy needs.

Why do Georgians need battery storage systems?

Battery storage systems part of plan to add renewable energy and help ensure reliability for Georgians.

Which Georgia Power Bess projects are underway?

Other Georgia Power BESS projects underway include a 65 MW project in Talbot County (Mossy Branch) and a 13 MW project with the US Army at Fort Stewart near Savannah. Form Energy is an American technology company developing and commercializing a new class of cost-effective, multi-day energy storage systems.

What is Georgia Power's Integrated Resource Plan (IRP)?

In 2022, the Georgia PSC approved the company's long-term energy plan, the Integrated Resource Plan (IRP), which included Georgia Power's largest single battery energy storage system (BESS) project to date – the 265 MW lithium-ion McGrau Ford Battery facility located in Cherokee County, as well as an additional 500 MW of battery storage.
