

# **How much does a 3500w battery inverter cost**

## Overview

---

How many Watts Does a predator 3500 watt inverter generator run?

This PREDATOR® SUPER QUIET™ 3500 Max. Starting Watt, 3000 Max. Running Watt Inverter Generator uses a reliable PREDATOR 212cc engine to deliver clean, efficient power where it's needed most. This closed-frame inverter generator delivers a runtime of over 11 hours @ 25%.

How much does a predator 3500 inverter weigh?

As its dry weight is 102 pounds, the Predator 3500 is one of the heavier of the inverters which can generate 2500 to 3500 running watts. if you wish to prioritize weight, the Pulsar PGD40iSCO is one of the top contenders in its power category, weighing only 46 pounds.

How long does an inverter generator last?

This closed-frame inverter generator delivers a runtime of over 11 hours @ 25%. Designed for efficiency, this inverter generator is built with Electronic Speed Control Mode (ESC Mode) to optimize engine performance, maximize runtime, and lower fuel consumption.

What is a predator 3500 generator?

With an inverter generator design, the Predator 3500 features a closed construction (L22.8 x W17.3 x H20 in), enhancing aesthetics and ensuring reduced noise levels, offering a distinct advantage over standard, open frame generators. This modern design aims to provide an ideal power solution to recreational users.

How much power does a predator 3500 have?

The Predator 3500 With a 212 cc (6 hp) OHV 4-stroke engine, the Predator 3500 operates on gasoline, providing 120V, with a running wattage of 3,000W and a starting wattage of 3,500W. In addition, the device is parallel capable (parallel kit not included) and thus, can be linked to a similar or compatible

unit for added power.

Does predator 3500 have a warranty?

The Predator 3500 is covered under a warranty for up to 90 days. This warranty may be limited and may not cover all parts of the generator. For more information about the warranty of Predator generators, please consult Harbor Freight's warranty policies stated in the user manual.
