

Huawei Energy Storage Equipment Warranty

Overview

Is there a warranty on any protective products for Huawei devices?

* Please note there is no warranty on any protective products for any HUAWEI device products, such as: screen protector and cover case. * If your device or related accessories do not appear in the above tables, please contact our customer service at 80066600. * Some Products warranty service is provided by retail store. 1. Preface.

What is Huawei care extended warranty?

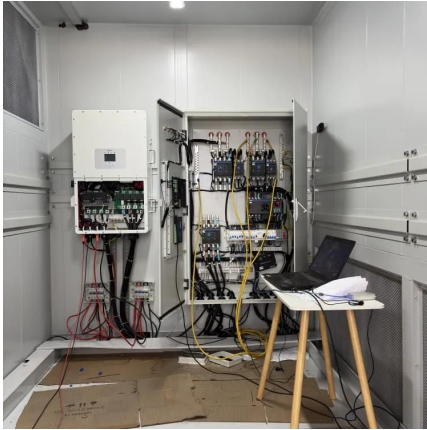

According to the information, Huawei Care Extended Warranty is a prolonged one-year warranty in addition to the standard device warranty in South Africa. During the valid period of the warranty, device defects caused by non-human factors can be fixed by Huawei Authorized Service Centers without any fees related to diagnosis, spare parts, or labor.

Does the warranty apply to any software or equipment owned by Huawei?

The Warranty applies to the Product as originally supplied. It does not apply to any software or other equipment owned by HUAWEI or third parties. Check the end-user license agreement, separate warranty/ guarantee statement(s) and/or any exclusions which are provided or intended to apply to such items.
