

Ivory Coast fully automatic inverter manufacturer

Overview

Who builds a solar power plant in Ivory Coast?

RMT builds a 37.5 MWp solar power plant and installs . Boundiali photovoltaic solar power plant in northern Ivory Coast was built in partnership with the country's government, in particular CI-ENERGIES, and with financial support from Germany. It has been in operation since July 2023.

Why did Ivory Coast build its first solar power plant?

As part of its drive to diversify electricity generation sources and increase the share of renewable energies in its energy mix (45% by 2030), Ivory Coast commissioned RMT to build the country's very first photovoltaic solar power plant, with a capacity of 37.5 MWp, spread over 69,440 550 Wp solar panels and 168 inverter-strings of 250 kVA.

Who is megarevo energy storage inverter manufacturer?

As one of the leading energy storage system manufacturers and hybrid inverter manufacturers, Megarevo offers a wide range of energy storage inverter products, customized energy solutions, new product development services, and energy-saving consulting services to help customers easily address their electricity needs.
