

Korean battery replacement cabinet 215KWh

Overview

Does hisbatt 215-a come with a power inverter?

HISbatt 215-A comes with an integrated cooling system (HVAC), a fire suppression system, and a power inverter installed with the safest LFP battery cells. Besides this, our cabinet housing is crafted meticulously to withstand outdoor environmental conditions.

What is his-energy's premium Battery Cabinet?

HIS-Energy's Premium Battery Cabinet Solution: Engineered for Both Outdoor (IP54 Rated) and Indoor Installations. From peak shaving and emergency power supply to powering EV charging stations, our smart HIS- EMS seamlessly manages your energy needs.

Is hisbatt 215-a forklift-ready?

All our battery solutions are forklift-ready and can be easily installed at the site. HISbatt 215-A arrives on-site fully equipped with all necessary components, embodying the essence of convenience with our plug-and-play feature.

Are the battery cabinets modular?

Whether you're planning an on-grid project or an off-grid solution, the battery cabinets are designed to be modular and easily expandable in the future. We've designed our solutions to guarantee safety and comfortability for you. All our battery solutions are forklift-ready and can be easily installed at the site.
