

# **Large-scale lithium battery energy storage power station in Italy**

## Overview

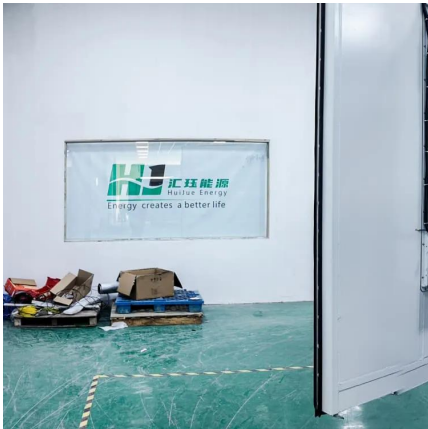

---

The innovative tolling agreement signed between Zelestra and BKW enables the delivery of one of Europe's largest battery energy storage systems (BESS), of up to 2 GWh, in the north of Italy. Construction is due to start in 2027, with full operations anticipated in 2028.

## Large-scale lithium battery energy storage power station in Italy

---

### [Battery Storage Systems in Italy , Enel Green Power](#)

Enel Green Power currently has 26 BESS in Italy: 15 of them are in operation, with a total capacity of about 800 MW, while 11 are under ...
