

Lithium battery plus inverter complete set

Overview

Does the Delta Max come with a solar power inverter?

Given that the Delta MAX is equipped with a built-in 2,016Wh lithium battery, a 2,400W power inverter, and an efficient charge controller, the kit comes with everything you need to begin storing and using solar electricity right away.

How much power can a lithium battery store?

[Large Capacity]: 1pc 25.6V 100Ah lithium battery, large enough to store 2560Wh of power. New type lithium battery which has higher charge/discharge efficiency and more than 3000 times deep cycles. With built-in BMS (battery management system), preventing the lithium battery from overcharge, overdischarge, overheat and short circuit.

What is the warranty on a server rack lithium battery?

A1: We offer 10-year warranty for 51.2v server rack lithium battery, covering non-human-induced battery failure issues. When you buy this solar kit, you are covered by the full manufacturer warranties on each component. Plus, you'll receive our lifetime customer and technical support. Q2: What communication methods are supported?
