

Mobile Base Station DC Power Supply

Overview

What size radios are compatible with the base station enclosure?

The Powerwerx MBLCOVR Mobile Radio Base Station Enclosure can accept radios that are smaller than 5.5 inches wide and 2.125 inches tall. It is compatible with most radios having 5.5 inch (140mm) mount spacing.

How do you install an enclosure on a power supply?

To install the Powerwerx MBLCOVR Mobile Radio Base Station Enclosure onto a power supply, place the enclosure (with the radio) over the power supply and slide it down, aligning the screw holes on each side to the power supply screw holes. Re-install the screws from step 9 to secure the enclosure to the power supply without tightening the screws yet.

How do I find a good power supply?

Searching for a power supply?

Choose from our ample selection of quality DC power supplies from popular, name brand manufacturers to amply handle the load! Ordered and had them tune Gmrs antenna and working great. Highly recommend Fine, very satisfied, but the real test will be the speed of delivery. Products clearly detailed and easy to find.
