

Myanmar s largest energy storage photovoltaic power station

Overview

The central Myanmar photovoltaic project group, is the largest new energy project in Myanmar, with five sub-projects, including the Kyeeonkeewa Photovoltaic Power Station. The project group is expected to supply electricity to 1 million rural households.

Myanmar s largest energy storage photovoltaic power station

CDS Complete The First Phase of The Myanmar Government's Solar Power

CDS cooperated with the Myanmar government on a 33kV off-grid photovoltaic energy storage project and successfully completed the first phase.
