

# **Namibia container energy storage manufacturer**

## Overview

---

“Transworld Container Solutions, previously trading under the name Container World (Namibia) (Pty) Ltd, has since its inception in 2000 pioneered the development of the container industry in Namibia.” At Transworld Container Solutions we offer a large variety of different types of container. Who makes the best water storage tanks in Namibia?

Rainbow Reservoirs has provided the African market with cost effective, excellent quality water storage tanks with a capacity of 2 000 000 litres and smaller since 2003 and can rightfully be regarded as the leading tank manufacturer in Namibia.

Does Namibia have a bulk fuel storage facility?

Yes, the Government of the Republic of Namibia is in the final stages of constructing a bulk fuel storage facility in Walvis Bay. This facility, with a capacity of 75 million liters, will store ULP '95, Diesel 50ppm, HFO, and Jet Fuel. NAMCOR has been appointed as the operator of this facility.

Are water tanks transforming Namibia's water infrastructure?

In a recent article, the Economics highlights the vital role of water tanks in transforming Namibia's water infrastructure for business and industry. It emphasizes the significance of reliable water storage for sustainable development and economic growth, with Abeco Tanks as a leading provider in this domain.
