

Peru portable power supply customization

Overview

Do device plugs work in Peru?

Most device plugs will work with the outlet types A and B in Peru but an adapter will be needed for type C. Also, the voltage in Peru is different from American voltages. Please note: an adapter will be needed if your device plug has a grounding pin and you are trying to use a Type A outlet.

Do you need a USB adapter in Peru?

If you're coming from Europe or elsewhere, an adapter is a must. If you don't have time to buy an adapter before your trip, pick one up at the airport or in Peru at a ferretería (hardware store) near your hotel. Adapters are inexpensive, and some have USB outlets so you can charge more than one electronic device at a time.

Do I need a travel adapter to travel to Peru?

No! Americans and Canadians will need a travel adapter and transformer when traveling to Peru. Most device plugs will work with the outlet types A and B in Peru but an adapter will be needed for type C. Also, the voltage in Peru is different from American voltages.

What voltage does Peru use?

Also, the voltage in Peru is the same as European voltages. What Outlet does Peru Use?

Type A electrical plug sockets are used in North and Central America, including the United States, Canada, and Mexico. They have two flat pins and no grounding pin. These outlets are typically used with devices that have a voltage of 110-120V.

Do you need a converter in Peru?

Peru uses 220 volt electricity, so visitors will need a converter for 110 volt

devices. Most plugs in Peru are the two-pronged flat type found in the US, but a three-pronged and a two-pronged circular type are also found. An adapter may be necessary depending on which type your devices use.

What is a Perun portable power system?

If your job requires power in the field for a computer, tablet, lighting, and other electronics the Perun portable power systems are the perfect solution! You can charge and operate as many as 12 different devices at the same time with the wide range of power output options.
