

# Photovoltaic power generation and energy storage in Burkina Faso

### **Overview**

The Government of Burkina Faso has signed a Public-Private Partnership (PPP) agreement with a local developer and a Dutch clean energy investment firm to develop a major solar and battery storage system.

### Photovoltaic power generation and energy storage in Burkina Faso

### <u>Burkina Faso Advances Solar Initiative</u> With EUR45

The transitional parliament of Burkina Faso has granted its endorsement to a conventional loan deal totaling EUR45.7 million with the Export-Import Bank of China. This ...
