

Rooftop PV Energy Storage Projects in Italy

Overview

European Energy built the Troia Solar farm in Apulia, close to Foggia. The plant is operational from 2020 and has a capacity of 103 MW. As a part of the fifth Conto Energia, Troia is set to receive special tariff.

Rooftop PV Energy Storage Projects in Italy

solar Energy News in Italy

If you'd like to be in line with solar power news from Italy, follow our selection of updates. Find recent news and special reports, read about modern research and technologies.
