

Sierra Leone home solar integrated machine

Overview

How has Sierra Leone developed energy solutions?

The Government of Sierra Leone has taken a strategic approach to developing energy solutions by establishing effective policies and regulations that enable private sector participation.

Why is solar energy important in Sierra Leone?

We prioritize the use of renewable energy sources such as solar power to reduce greenhouse gas emissions, mitigate climate change, and preserve natural resources. By harnessing the abundant solar energy resources available in Sierra Leone, we contribute to a cleaner, greener future for generations to come.

Why should you choose a solar mini-grid solution in Sierra Leone?

By harnessing the abundant solar energy resources available in Sierra Leone, we contribute to a cleaner, greener future for generations to come. Ready to experience the benefits of off-grid solar mini-grid solutions?

.

What's going on with a 50MW solar project in Sierra Leone?

Three Development Finance Institutions and a renewable fund manager have announced a co-investment for a 50MW solar power project in Sierra Leone. Three Development Finance Institutions and a renewable fund manager have announced a co-investment of more than \$52 million for Planet Solar, a greenfield 50MW solar power project in Sierra Leone.

Does power Leone have a solar mini-grid?

Power Leone continues to supply modern energy reliably in all three locations. “ The use of Results Based Financing for the roll-out of solar mini-grids is an important step for Sierra Leone. As the RBF mechanism is scalable, it has the

potential to lead to a palpable acceleration in rural electrification.

Who is implementing a multi-partner project in Sierra Leone?

Under this multi-partner scheme, the United Nations Office for Project Services, (UNOPS) and Sustainable Energy for ALL (SEforALL) are implementing partners while the initiative will be funded by the EU under the EUR 50 million Transformational Energy Access for Sierra Leone financing agreement with the Government of Sierra Leone.
