

Slovakia photovoltaic inverter customization company

Overview

Where can I buy a solar inverter in Slovakia?

The inverters have been tested and approved for operation in the Slovak power grid and are now available from the official distributor, Photon Energy. Solinteg, backed by renowned company TCL, focuses on cutting-edge solar inverter and battery storage technologies.

Are solinteg solar inverters available in Slovakia?

Solinteg hybrid inverters have been tested and approved for operation in the Slovak power grid and are now available from the official distributor, Photon Energy. Slovakia's solar components market welcomes the introduction of Solinteg's advanced solar inverters.

Who makes solinteg solar inverters?

Solinteg, backed by renowned company TCL, focuses on cutting-edge solar inverter and battery storage technologies. Its Integ M series hybrid three-phase inverters designed for residential and commercial PV systems are gaining rapid popularity among PV systems installers in the Czech Republic.

Where can I buy solinteg products in Slovakia?

Photon Energy, an authorized wholesaler and key partner of Solinteg in the Czech Republic and other European countries, is proud to announce the availability of Solinteg's products in Slovakia. As an established distributor, Photon Energy has a reputation for providing high-quality PV components together with great technical support.
