South Africa's Blue Nova Energy has exported its first intelligent energy storage system (iESS) to Namibia, providing 1MWh of storage for the Timbila Nature Reserve's 250kW solar PV system. ...

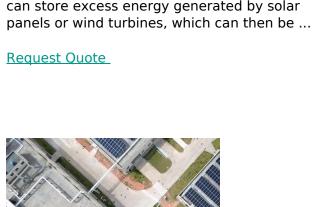

Container Energy Storage Systems

ZBC models can operate as a standalone solution, in hybrid mode with several sources of energy and as the heart of a microgrid. These container energy storage systems are ideal for ...

Container Solutions

Yes, our ESS containers are designed to integrate seamlessly with renewable energy sources. They can store excess energy generated by solar panels or wind turbines, which can then be ...

Battery Energy Storage System

Eskom BESS rollout project is the largest to be implemented in Africa. This is a direct response to the urgent need to address South Africa's long running ...
